ORDER No. 161 of the Rector of the Nicolaus Copernicus University in Toruń

of 19 August 2020

on the award to doctoral students of scholarships funded from the resources of the Emerging Fields research teams under the "Initiative of Excellence - Research University" programme

Pursuant to art. 52.3 of resolution No. 37 of the NCU Senate of 16 April 2019 - Statutes of the Nicolaus Copernicus University in Toruń (Biuletyn Prawny UMK of 2019, item 120 as amended).

i t i s o r d e r e d as follows:

Article 1

The Order lays down the rules and mode for the award to doctoral students admitted in the ongoing recruitment to doctoral schools run at the Nicolaus Copernicus University in Toruń, hereinafter referred to as "the University", doctoral scholarships funded from the resources of the Emerging Fields research teams under the "Excellence Initiative - Research University" programme (IDUB), hereinafter referred to as "scholarships".

Article 2

1. The amount and number of scholarships in a given academic year shall be determined by the rector at the request of the Chair of the IDUB Coordinating Team, bearing in mind the funds available for scholarships in the IDUB programme for the Emerging Fields research teams.
2. No more than 12 scholarships shall be available until the end of 2021.
3. The scholarship may not exceed PLN 4 300.

Article 3

The scholarships are funded from the resources of the IDUB programme earmarked to the Emerging Fields research teams for scholarships for the best doctoral students.

Article 4

1. The decision on the award of the scholarship shall be issued by the rector.
2. An application for the award of the scholarship for the doctoral student, approved by the director of the doctoral school, shall be submitted to the rector by the head of the Emerging Fields research team in which the doctoral student conducts research.
3. The scholarship shall be awarded for the duration of education at the doctoral school, but not for longer than 4 years.
4. The decision of the rector on the award of the scholarship is subject to a request for reconsideration submitted by the doctoral student or the head of the Emerging Fields research team within 14 days from the date of the delivery of the said decision.

Article 5

1. The scholarship shall be paid monthly by the 5th day of each month pursuant to the decision on the award of the scholarship.
2. The first payment of the scholarship shall be made no later than 7 days after the date on which the decision on the award of the scholarship became effective.
3. The amount of the scholarship shall be increased after a mid-term evaluation with a positive result, but no less than the amount specified in Art. 209.4.2 of the Act of 20 July 2018 - Law on Higher Education and Science. Where a scholarship is awarded for an amount equal to or exceeding the amount referred to in the first sentence, the scholarship shall be increased by at least 25%.

Article 6

The administrative servicing of awarding scholarships shall be provided by the offices of doctoral schools.

Article 7

Doctoral students receiving scholarships shall receive additional funds for scientific activities, including mobility, i.e. to cover:

- a) one internship of 2-3 months in a scientific unit of the other supervisor,
- b) two internships of maximum two weeks each abroad in the research unit in which the doctoral student will carry out research or develop scientific competences related to the implementation of their project,
- c) two visits of maximum one-week each by the supervisor to the research unit in which the other supervisor of the doctoral student is employed.

Article 9

The administrative servicing of expenditure on scientific activities of doctoral students shall be provided by the office of the Interdisciplinary Doctoral School Academia Copernicana.

Article 10

The Order becomes effective as of 19 August 2020.
